Group Practice Solutions

Booth #13
26 Railroad Ave #200
Babylon, NY 11702
631-532-2720

Representative(s):
Dan Israel disrael@gpsidental.com

Group Practice Solutions understands the financial concerns facing our healthcare environment today. GPS works primarily with community health centers all over the country providing the most commonly used dental supplies at a significant savings. In light of all the budgetary constraints and competitive grant allocations, we have found that it is more important than ever to cut costs and reduce overhead expenses. Our program, specifically for CHC's and free clinics, provides a savings upwards of 50% on supplies, without replacing your primary vendor.
