What is the anticipated start date of your survey?

When would you like to start receiving technical assistance?

Financial Resources

ASTDD does not have the financial resources to provide unlimited technical assistance to all of the states currently requesting assistance. For this reason, we need to determine if a state has resources to cover the cost of some services.

Do you have any outside funding for portions of this project? Yes No

If yes, what is your source of funding?

Can you help defray the cost of this technical assistance? Yes No

If yes, approximately how much could you cover?
