

# Increasing the Oral Health Community's Involvement with the Network of Quitlines Initiative

**Moderator: Beth Hines, RDH, MPH**

Centers for Disease Prevention and Control, Division of Oral Health

**Co-Moderator: Sheila Semler, PhD, RDH, CDA**

Oral Health Coordinator

Michigan Department of Health and Community Services

**SAFER • HEALTHIER • PEOPLE™**

# Presenters

- Barbara Z. Park, RDH, MPH
  - ◆ Overview of HHS's National Network of Quitlines Initiative and CDC's Role in Building State Capacity
- Mary Anne Bright, RN, MN
  - ◆ Moving An HHS Initiative Into Practice
- Connie Revell
  - ◆ Partnerships for Tobacco Cessation

# Objectives:

- Provide an overview of the Secretary of HHS National Network of Quitlines Initiative.
- Discuss partnerships at national and state levels to promote the Initiative.
- Discuss ways in which the oral health community may be involved in promoting the Quitlines.
