

NIDCR-Funded Collaborating Research Centers to Reduce Oral Health Disparities: Early Childhood Caries

National Oral Health Conference
St. Louis, MO
April 27, 2009

Populations with Oral Health Disparities

NIDCR Strategic Plan 2009-2013

Goal 4:
Apply rigorous, multidisciplinary research approaches to eliminate disparities in oral, dental and craniofacial health

Goal 4: Objective IV-1

- **Identify the full range of factors that contribute to oral health inequality**

Goal 4: Objective IV-2

- **Support interventional, dissemination and implementation research to eliminate oral health disparities**

Goal 4: Objective IV-3

- **Provide science-based information about oral health and disease to health care providers, patients and caregivers, policy makers and the general public**

 **Grants & Funding**

NIDCR is the Nation's leading funder of oral, dental, and craniofacial research. Approximately 75% of NIDCR's budget goes to the support of grantees at universities, dental schools, and medical schools across the country and around the world.

Oral Health Disparities Research Centers

Oral Health Disparities Research Centers

- 2001 Cohort of Centers
 - Establish community partnerships
 - Explore determinants of oral health disparities
 - Conduct one intervention study
 - Support pilot studies
 - Facilitate training and career development
 - Assure dissemination of research findings

Oral Health Disparities Research Centers

- 2008 Cohort of Centers
 - Establish community partnerships and advisory boards
 - Conduct two major intervention studies
 - Support two developmental projects in preparation for additional intervention studies
 - Facilitate training and career development
 - Assure dissemination of research findings

Oral Health Disparities Research Centers

- **University of Washington**
 - Peter Milgrom, PI
- **University of Florida**
 - Henrietta Logan, PI
- **Boston University**
 - Raul Garcia & Michelle Henshaw, PIs
- **University of California San Francisco**
 - Jane Weintraub, PI
- **University of Colorado Denver**
 - Judith Albino, PI
