- **Staffing issues**
- **Volunteer issues**
- **Scheduling issues**

# Making Dallas Smile Mobile Van

- **Lessons learned**
  - DCDS did not have the core competency to run a mobile dental van
- **Community Dental Care**
  - Van given to CDC to operate
  - DCDS provides grant to CDC for operating van

# Observations from the HOD

- **TDA and ADA issues are public health issues**
- **Dental public health community has much to contribute to discussions within state and national delegations**
- **Why are oral surgeons overrepresented in the ADA House of Delegates and public health dentists underrepresented?**

**“All politics are local,  
including dental politics.”**

***Thomas P. (Tip) O’Neill-ish***

# Finding Common Ground

- **Membership based voluntary organizations (including AAPHD/ASTDD) are always looking for good workers.**
- **Recognize the cultural differences between organizations and respect them.**
- **Volunteer for a job and do it well.**
- **Don't be afraid to start at the bottom and work your way up!**

# Think Networks

- **How can you contribute your skills to your local dental society?**
- **How can you expand your network to include your local dental society (remember those access to care and prevention missions)?**

# Conclusion

- **What one action can you take to support your local dental society?**
- **What one activity can you invite your local dental society to participate in with you?**
