LEADERSHIP

*Leaders are called to stand
in that lonely place
between the no longer and the not yet
and intentionally make decisions
that will bind, forge, move
and create history.*

*We are not called to be popular,
we are not called to be safe,
we are not called to follow.*

*We are the ones called to take risks,
we are the ones called to change attitudes;
to risk displeasures,
we are the ones called to gamble our lives
for a better world.*
